

Newcomer and EAL Workshops

Recycling & Composting

The City of Saskatoon has partnered with the Saskatchewan Waste Reduction Council to offer **recycling and composting workshops for EAL classes.**

These workshops teach core recycling and composting vocabulary through a combination of presentations and activities.

- 1-2 hour workshops.
- Best fit with CLB 3-6.
- Flexible booking times on weekdays and weekends, daytime or evenings.
- Lesson plans available for preview on request.
- **No charge.**
- Workshops can be booked as a series or individually.

Please contact the SWRC if you are interested in booking a workshop.
