INTRODUCING

SmartUTIL

SmartUTIL is a new, easy-to-use online tool to help inform and support the City's residential and commercial utility customers

Use Smart**UTIL** to view the water & electricity **usage/trends for your property by the month, day or hour.**

Keep on budget with Smart**UTIL** - **set spending alerts** for water and or electricity usage at your property and be notified if you're about to exceed them.

View Smart**UTIL** data to help you take steps to **conserve water and electricity at your property**, and reduce your impact on the environment.

Check out **saskatoon.ca/smartutil** today!
