

Issuing Deputy Returning Officer (iDRO)

I make sure that every voter who comes into the voting station receives a friendly, efficient and modernized voter experience.

I have versatile roles, so you may find me doing several things, like checking on the computer (ePoll book) to see if each person is on the Voters' List at the registration table and issuing a ballot.

Not to worry if your name is not on the Voters' List, as I can help to add it for you as well.

My duties include:

- ✓ Check voters identification and administer the appropriate oath when necessary
- ✓ Record and cross-off voters on the electronic-Poll book, and issue voters their ballot in the secrecy sleeve
- ✓ Provide instructions on how to vote, if necessary
- ✓ Accept and process requests from voters to update their information on the Voters' List
- ✓ Assist the Presiding Supervisor as required
- ✓ Remain at the location until all closing procedures have been completed
- ✓ Assist in packing up supplies and taking down the polling location at the close of polls

Issuing Deputy Returning Officer (iDRO)
