It is a one and a half-story house that exhibits typical characteristics of homes built during the boomtime period, and has been home to several prominent people, including Dr. Richard A. Wilson and Angus McGill Mowat. The property owner is undertaking a rehabilitation project to the exterior of the dwelling.

**Strategic Goal**

This report supports the City of Saskatoon’s (City) Strategic Goal of Quality of Life. As a community, we find new and creative ways to showcase our city’s built, natural, and cultural heritage.

## **Application for Municipal Heritage Designation and Tax Abatement Funding Under the Heritage Conservation Program – 1102 Spadina Crescent East**

---

### **Background**

The one and a half-story dwelling, located in City Park at 1102 Spadina Crescent East, was built in 1914. It has been home to several prominent Saskatoon citizens, including Dr. Richard A. Wilson, the Mowat Family, Rupert David Ramsey, and Issac P. Friesen (see Attachment 2).

The dwelling continues to be used as a private residence, and the owner of the property has requested designation as a Municipal Heritage Property.

### **Report**

#### Municipal Heritage Designation

The Administration conducted a formal evaluation of heritage significance, and is of the opinion that the property's exterior is eligible for designation as a Municipal Heritage Property for the following reasons:

1. The dwelling was home to several prominent citizens, including Dr. Richard Wilson, the Mowat Family, Rupert David Ramsey, and Issac P. Friesen.
2. The dwelling exhibits typical characteristics of homes built during the boomtime period. The dwelling is one and a half stories with a large sunroom. The exterior of the house is stucco with wood accents.
3. The dwelling remains relatively unaltered and is on its original site. The property owner is committed to a large rehabilitation project.

The Administration is recommending that only the exterior building be designated as a Municipal Heritage Property. Once the property is designated, it is eligible for funding under the Heritage Conservation Program.

#### Heritage Conservation Program for Designated Municipal Heritage Properties

Financial assistance for designated Municipal Heritage Properties includes a property tax abatement of up to 50% of costs related to the restoration of architectural elements and renovations to meet building code requirements where it affects the character defining elements of the building. Additional assistance includes a refund of 50% of the building and development permit fees. Heritage home owners may also choose to receive funding as a grant, rather than tax abatement, if the application for funding is less than \$10,000.

The Heritage Conservation Program provides funding for up to 50% of costs related to restoration of the heritage elements of the property. For this project, the owner qualifies for a maximum of \$84,400, in the form of a tax abatement amortized over a ten-year period. Should the approved tax abatement be greater than the property taxes, a grant will also be issued to the property owner for the difference over the amortization period. The final amount of the tax abatement will be determined once the approved work has been completed and the associated receipts submitted.

## Application for Municipal Heritage Designation and Tax Abatement Funding Under the Heritage Conservation Program – 1102 Spadina Crescent East

---

Based on the estimates provided by the property owner, the following elements of the project are eligible:

Roof	\$ 20,000
Exterior Finish	\$ 48,200
Windows and Frames	\$ 36,700
Foundation Repairs	\$ 46,400
Side Entrance Stair Repair	\$ 17,500
<b>TOTAL</b>	<b>\$168,800</b>
Tax Abatement Available	\$ 84,400

### Options to the Recommendation

City Council has the option of not designating the site as a Municipal Heritage Property or approving the funding request.

### Communication Plan

All municipal heritage properties are marked with a bronze plaque on site that describes the heritage significance of the property. If designation is approved, the property will also be added to the Heritage Registry.

### Policy Implications

This proposal complies with Civic Heritage Policy No. C10-020 (Policy).

### Financial Implications

The total estimated cost of the eligible expenses of this project is \$168,800 and under the Policy, the project would qualify for 50% of eligible costs. A tax abatement, to a maximum amount of \$84,400, would be amortized over a ten-year period and will begin in the year following the completion of the project.

The applicant is also eligible for a refund of \$298.11 for the building permit fees of the project.

The source of funding is the Heritage Reserve Fund. The current balance is \$199,609.06. Funding of this project will not impact the ability of the Heritage Reserve Fund to continue funding existing property tax abatements or other previously approved programs. The Heritage Reserve Fund receives an annual transfer of \$57,600.

The amount of \$2,500 from the Heritage Reserve Fund would be allocated for the fabrication of the bronze plaque and installation on the property.

### Other Considerations/Implications

There are no environmental, privacy, or CPTED implications or considerations.

## Application for Municipal Heritage Property Designation – 803 9<sup>th</sup> Avenue North

### Recommendation

That a report be forwarded to the Standing Policy Committee on Planning, Development and Community Services with a recommendation to City Council:

1. That the City Solicitor be requested to prepare and bring forward a bylaw to designate the property at 803 9<sup>th</sup> Avenue North as a Municipal Heritage Property under the provision of *The Heritage Property Act*, with such designation limited to the exterior of the building (excluding the addition completed in 2012);
2. That the General Manager, Community Services Department, be requested to prepare the required notices for advertising the proposed designation; and
3. That \$2,500 be allocated from the Heritage Reserve Fund for supply and installation of a recognition plaque for the property.

### Topic and Purpose

The purpose of this report is to consider an application by the property owner requesting 803 9<sup>th</sup> Avenue North be designated as a Municipal Heritage Property.

### Report Highlights

1. This property is eligible for designation as a Municipal Heritage Property. It is an excellent example of Tudor-style architecture. The property was once home to Andrew N. Boyd, an auto dealership owner and prominent member of the Knox United Church and Dr. Lorne McConnell, a pioneer in the field of neurosurgery in Western Canada and former Chief of Surgery at Saskatoon City Hospital.

### Strategic Goal

The report supports the City of Saskatoon's (City) Strategic Goal of Quality of Life. As a community, we find new and creative ways to showcase our city's built, natural, and cultural heritage.

### Background

The two-story dwelling located in City Park at 803 9<sup>th</sup> Avenue North was built in 1929. The Tudor-style dwelling was originally home to Andrew N. Boyd, who founded the auto dealership Boyd Bros. (located at the corner of 24<sup>th</sup> Street and 2<sup>nd</sup> Avenue). Mr. Boyd came to Saskatoon from Radisson and North Battleford in 1922 and was a prominent figure in the Knox United Church and past president of the Saskatoon Club from 1930 to 1931.

The home was later purchased by Dr. Lorne McConnell who began his medical practice in Saskatoon in 1912. Mr. McConnell had served with the British Army Medical Corps during World War I, and in the early 1930's studied at McGill University's Neurological Institute before continuing his studies at the Mayo Clinic in Rochester, Minnesota. Mr. McConnell

was a pioneer in the field of neurosurgery in Western Canada and before his retirement in 1967 served as Chief of Surgery at Saskatoon City Hospital for a number of years.

The dwelling continues to be used as a private residence and the owner of the property has requested designation as a Municipal Heritage Property.

### **Report**

The Administration conducted a formal evaluation of the exterior of the building and is of the opinion that the property is eligible for designation as a Municipal Heritage Property for the following reasons:

1. The dwelling was once home to two prominent citizens in Saskatoon: Andrew N. Boyd and Dr. Lorne McConnell.
2. The dwelling is an excellent example of a traditional 1920's Tudor-style home, which is a relatively unique style of architecture in Saskatoon. Architectural elements featured on this home's exterior, and those of which are characteristic of the Tudor-style, include a steeply pitched roof with a projecting front-gabled extension, brick exterior with stucco cladding on the upper level, an arched front doorway with stone trim, and a large brick chimney (with decorative chimney pots). The bricks used on the exterior of the building appear to be similar to those on other brick buildings built during this era.
3. The dwelling is in excellent condition, and all features of the Tudor architectural style have been retained. An addition to the rear of the property was completed in 2012; however, all materials used were chosen to compliment the exterior finishes and is sympathetic to the existing architecture.

The Administration is recommending that only the exterior original structure be designated as a Municipal Heritage Property. Once the property is designated it will be eligible for funding under the Heritage Conservation Program. The applicant is not applying for funding at this time; however, restoration work will likely be required in the future in order to make repairs to the roof, along with replacement of the shingles and windows. Any future funding requests under the Heritage Conservation Program would not apply to the recent addition completed in 2012.

### **Options to the Recommendation**

City Council has the option of not designating this building as a Municipal Heritage Property.

### **Public and/or Stakeholder Involvement**

Public and/or stakeholder consultations are not required.

### **Communication Plan**

All municipal heritage properties are marked with a bronze plaque on site that describes the heritage significance of the property. If designation is approved, the property will also be added to the Heritage Registry.
