Implementation of the Policy

3. POLICY

3.1 Policy Statement

The City shall adopt a process to manage the City's enterprise level risk, entitled RBM as described herein and the Schedules attached hereto. Administration shall embed into corporate operations and reporting a systematic, proactive and ongoing process to understand and manage risk and uncertainty, and to communicate risk information throughout the City, which will contribute positively to the achievement of corporate objectives.

3.2 Policy Principles

The RBM process shall:

- a) create value for the City;
- b) be an integral part of organizational processes;
- c) be an integral part of decision making;
- d) explicitly address uncertainty;
- e) be systematic, supported and timely;
- f) be based on the best available information;
- g) be tailored to the City's specific needs;
- h) take human and cultural factors into consideration;
- i) be transparent and inclusive;
- j) be dynamic, iterative and responsive to change;
- k) facilitate continuous improvement of management practices; and
- l) enhance achievement of the goals of the organization.

3.3 The City of Saskatoon RBM Process Outcomes

- a) Management decisions shall be taken with the support of systematically obtained and organized risk and uncertainty information to ensure effective and efficient use of City resources.
- b) All risks that have the potential to significantly impede the achievement of corporate goals and objectives shall be identified, analysed, treated, and disclosed when reporting to Administration, Council or Committees.
- c) The integration of RBM into all operations of the City will be supported by a corporate philosophy and culture that actively supports and encourages all employees to systematically and proactively manage risk using the RBM system, and to take a “risk smart” approach to managing all risk inherent in City activities.
- d) RBM will be integrated into short, medium and long term strategic and business planning, including budget planning, and ongoing operations of the City, and will be consistently applied to the development and implementation of policy, programs, plans and future directions for the City.
- e) The RBM process shall be reviewed and benchmarked against risk management best practices, and this policy shall be reviewed and updated by Council at appropriate intervals.

3.4 Reporting

- a) All reports and presentations to Council or Committees made by Administration shall consider and disclose all significant risks arising from activities or recommendations contained in the report. **It is not acceptable to protect Council from bad news by concealing risks.**
- b) Use of common language and terms outlined in the RBM documents shall be used when disclosing risk and uncertainty to Administration, Council or Committees.
