

Community Speed Display Board Application Form

Community Speed Display Board Program

The City of Saskatoon Transportation Department permits community associations to purchase their own speed display board.

Guidelines

- The community will only be allowed to purchase one speed display board.
- The speed display board can only be installed at one location per year.
- The speed display board cannot be used for enforcement purposes.
- The speed display board is to be used only within the neighbourhood on local and on collector streets.
- The speed display board can be used in school zones for education purposes only.
- The speed display board shall not conflict with any SGI or police education/enforcement programs.
- The speed board should be installed in locations with speed visibility of the board. No vegetation should be blocking the driver's view of the board.
- The speed board will be the same size and model as other speed display boards purchased by the City. Consistent size and type of board will improve driver compliance.

How to Apply

Step 1

COMPLETE THIS APPLICATION

Sign application. *Applications must be submitted a minimum of 30 days prior to anticipated purchase date to be considered.*

Step 2

SUBMIT APPLICATION

Submit signed application to transportation@saskatoon.ca

Step 3

APPLICATION REVIEW

City Transportation Staff will respond to verify the receipt of the application and provide a cost estimate of the speed display board.

Step 4

PAYMENT

Community Association will provide payment to the City. Written agreement to be signed by all parties.

Step 5

PURCHASE

City Transportation Staff will purchase the speed display board.

Step 6

INSTALLATION

The speed display board will be installed for one-year at one location by City staff. The speed display board will be removed during the winter season. The community can submit a written request to the City annually to relocate the speed display board to another location.

Community Speed Display Board Agreement

1. The City will be responsible for placement, repairs and maintenance for a period of ten years. This includes repairs due to vandalism.
2. Community Speed Display Board Program Members understand that there are restrictions to acceptable installation locations. The Transportation Division will authorize acceptable installation locations.
3. No modification shall be made to any speed display board installation by the Community.
4. Failure to adhere to these permittee responsibilities may result in the issuance of administrative citations and the removal of the speed display board.

Indemnity Agreement

As a condition of the permit requested, the permit holder agrees to defend, indemnify, reimburse and hold harmless City, its appointed and elected officials, agents and employees for, from and against all liabilities, claims, judgments, suits or demands for damages to persons or property arising out of, resulting from, or relating to the work performed under the permit ("Claims"), unless such Claims have been specifically determined by the trier of fact to be the sole negligence or willful misconduct of the City. This indemnity shall be interpreted in the broadest possible manner to indemnify City for any acts or omissions of the holder of the permit or its subcontractors either passive or active, irrespective of fault, including City's concurrent negligence whether active or passive, except for the sole negligence or willful misconduct of City.

In accordance with Section 24 of *The Local Authority Freedom of Information and Protection of Privacy Act*, the personal information collected on this form will be used for purposes relating to the permit process. If you have any questions relating to the collection, use, and disclosure of this information, please contact the City Clerk's Office at (306) 975-3240.

By submitting this application, I understand and agree to the above agreements as conditions of the permit requested.
